

New Wave Rafting Co.

Guide Training Program: 4/21-24, 2018. 8AM - 4 PM

This is the **36th** year of our **Guide Training Program** (GTP), which begins with 4 days of on-the-water instruction. This is followed by a period of practice, with a **minimum** of 20 trips on the Class 3 Racecourse stretch needed to prepare a candidate for guiding. Trainees should have completed those trips by May 31.

New hires must have current Standard First Aid and CPR cards before beginning to guide. NWRCo will provide the training at a small additional cost for those who need it.

We provide all gear for the 4 day instructional portion of the GTP. Participants will provide their own lunch. Guides with experience elsewhere must attend all of the first 4 day segment of the GTP for familiarization with the river and our procedures. Requirements: 18 years of age, swimmer.

Fee: **\$165.00** (tax and user fee included). A \$50 **non-refundable** deposit is required to guarantee space, with the balance due at the beginning of the GTP. You must notify us beforehand of your intent to participate in the GTP. No refunds will be made after the GTP begins.

****Free** camping is available at our riverside site for candidates and guides. ******

****The course fee will be rebated** to successful candidates when they begin to guide trips. ******

Please feel free to call or e-mail with any questions you may have.
